

Caseworker

When your number on the waiting list is finally called and you're approved for section 8, you will receive a voucher and be assigned to a caseworker. This caseworker will be the single most important aspect of your section 8 experience. She/he will guide you through the process and help you comply with the myriad of forms and documentation required to be compliant with section 8 rules and regulations. Your caseworker will work hand in hand with your agent, broker or property manager to get your chosen housing approved for section 8 payments.
